NEWS FLASH

OCTOBER 14, 2010

The IRS has announced that it will no longer mail tax packages of forms and instructions to individuals and businesses. Those who did not file electronically for 2009 will receive a postcard from IRS which explains show to get tax forms.

For the 2010-2011 filing season, firms such as Family Tax Advantage will be *required* to file all returns electronically. Many states also have this requirement.

We expect major tax developments between November 3 and December 24. We will keep you posted.

Please feel free to call or write if you have any questions.
